About Us

Orcone Care promises that precious time given to you is used to its utmost potential.

We provide a regularly monitored health care assistance to ensure your comfort and least disrupted life.

We assist in :

- Home Care Services
- Disability Care Services
- Childcare Services

Home Care

Caring for you in your own space and familiar environment helps reduce anxiety and cuts down on travel.

Disability Care

We ensure your life is disrupted as little as possible, educating you on how to live with your disability.

Childcare

All of our staff are professionally trained and DBS checked ensuring your child is safe and secure in our care.

Our Services

Our team will build up a caring relationship with you that goes above care and ensures continuity in creating a great deal of trust.

All our staff receive frequent training to ensure all care is carried out to an exceptional standard, benefitting not only those in our care, but also for the peace of mind for their friends and family.

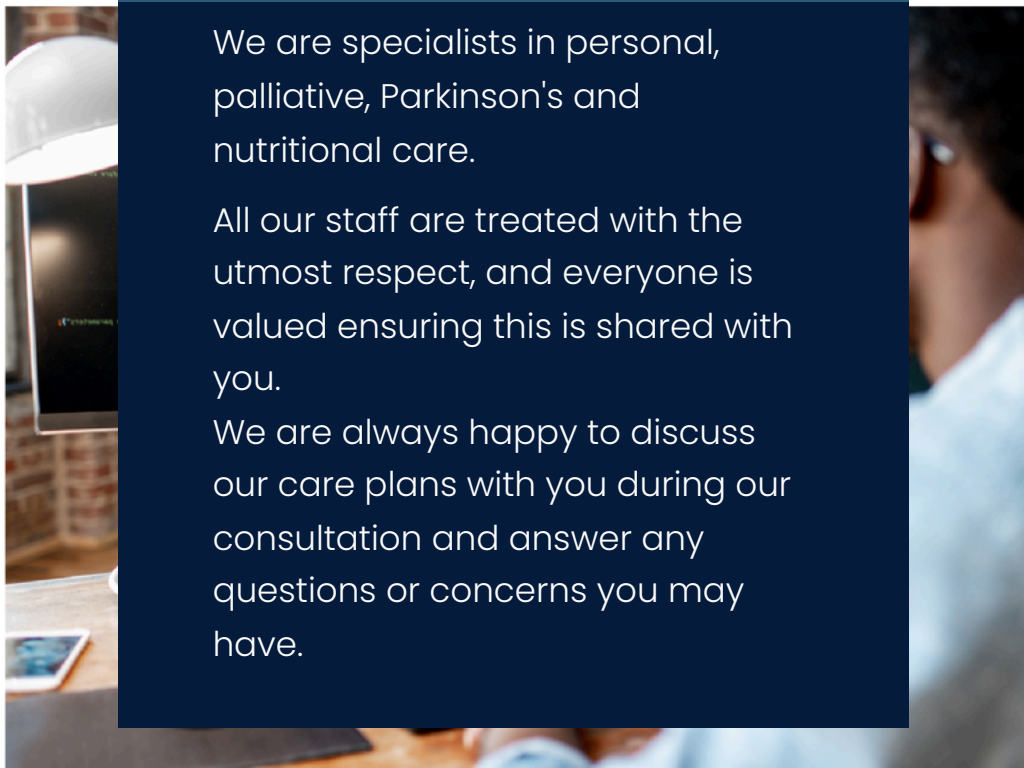

Our Team

We are specialists in personal, palliative, Parkinson's and nutritional care.

All our staff are treated with the utmost respect, and everyone is valued ensuring this is shared with you.

We are always happy to discuss our care plans with you during our consultation and answer any questions or concerns you may have.

Our Ethics

We are always improving our knowledge and training so you can be rest assured our care will leave you safe and comfortable.

Here at Orcone Care we are expertly trained, staying up to date with every aspect of disability care.
